

The Blue Haven
FIBREGLASS POOL
Range

UNBIASED ADVICE OVER THE WHOLE RANGE.

Here at Blue Haven Pools, we offer unbiased advice over the whole range!

By identifying the best pool to suit your budget, site soil, site elevations and time constraints, we have a solution and design for building every type of pool.

We offer solutions in concrete, fibreglass, vinyl, acrylic and ready to swim options, so you can be sure of the best solution to suit your backyard, architecture, pool design goals and budget.

Over 70,000 families have said "YES" to Blue Haven Pools since 1973.

Our motto is simple;

"We offer the best value pools and spas without compromising quality".

How do we do it?

By applying a holistic solution when approaching construction and landscaping integration.

Why pay less for a pool structure that will end up costing more to landscape?

You can count on Blue Haven Pools for the best advice and the right price.

- *Large range of pre-moulded shapes, colours and size options available to suit most backyards and pool goals*
- *Freestanding out-of-ground models to suit sloping blocks*
- *Smooth pool surface on your feet*
- *Integrated spas and water features can be adapted*
- *25 year structural warranty on the shell*

MOON

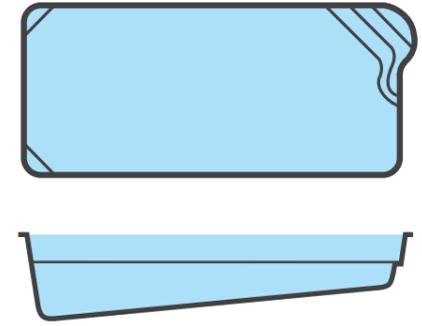

The practical and attractive design of the Moon pool includes entry steps at the shallow end and a seat on each side of the deep end of the pool.

This pool is ideal for a larger yard and a growing family. A true entertainer and is also great for swimming laps.

There's also a safety foot ledge, framing the outer limits of the moon.

SIZES

- 10.1m x 4.4m x 1.78m / 0.95m
- 8.0m x 4.4m x 1.59m / 0.95m

Features include;
right-side entry
deep-end seating
safety foot ledge

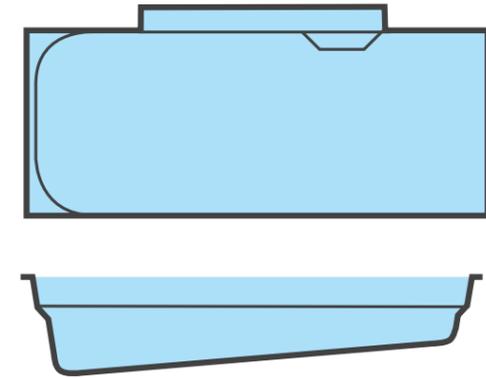

CONTEMPORARY

Aptly named, our contemporary with its square edge design has a distinct and contemporary appearance.

Access is one of the greatest features this design has to offer, with entry points from the centre step and seating on the middle, right side and deep end. This range also includes a safety foot ledge around the entire pool.

SIZES

- 11m x 4.4m x 1.82m / 1.04m
- 10m x 4.4m x 1.78m / 1.06m
- 9m x 4.4m x 1.72m / 1.10m
- 8m x 4.4m x 1.67m / 1.13m
- 7m x 4.4m x 1.59m / 1.12m
- 6m x 3.8m x 1.54m / 1.16m

Features include;
modern appearance
availability of 6 lengths
safety foot ledge

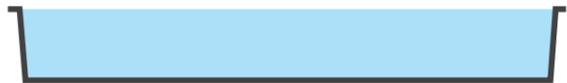

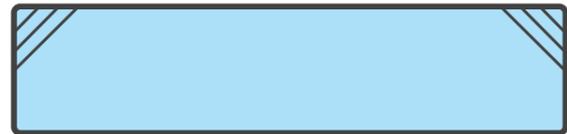

LAP

Thinking about installing a lap pool? Blue Haven Pools offers a wide variety of pool designs and options, you are sure to find one the perfectly suits your needs.

The Lap pool is as the name suggests, is great for swimming lengths, keeping fit and the perfect shape to fit into a narrow backyard corridor or along the side of a property.

SIZES

- 15m x 3m x 1.3m
- 12m x 3m x 1.3m
- Flat Bottom Depth

Features include;
a consistent depth
shape perfect for laps
suits a narrow space

URBAN

The Urban pool is a best seller; big enough for the whole family to enjoy, yet practical enough for smaller backyards.

With a seating area at the deep end so you can relax and watch the kids play.

STATE OF THE ART TECHNOLOGY

INTRODUCING THE MINERAL POOL

A superior natural water feel, harnessing the riches of nature's ocean and mineral lagoons and delivering them to your swimming pool.

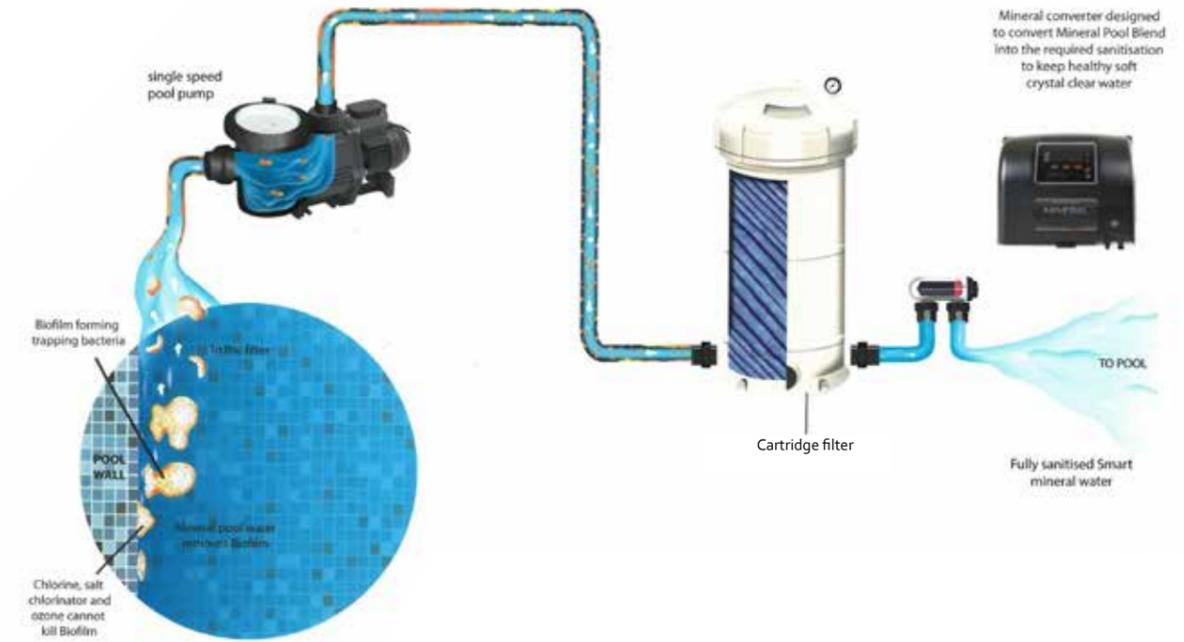

Experience the invigorating feel of bathing in water rich in minerals. Mineral Water so gentle, combined with superior energy and water savings.

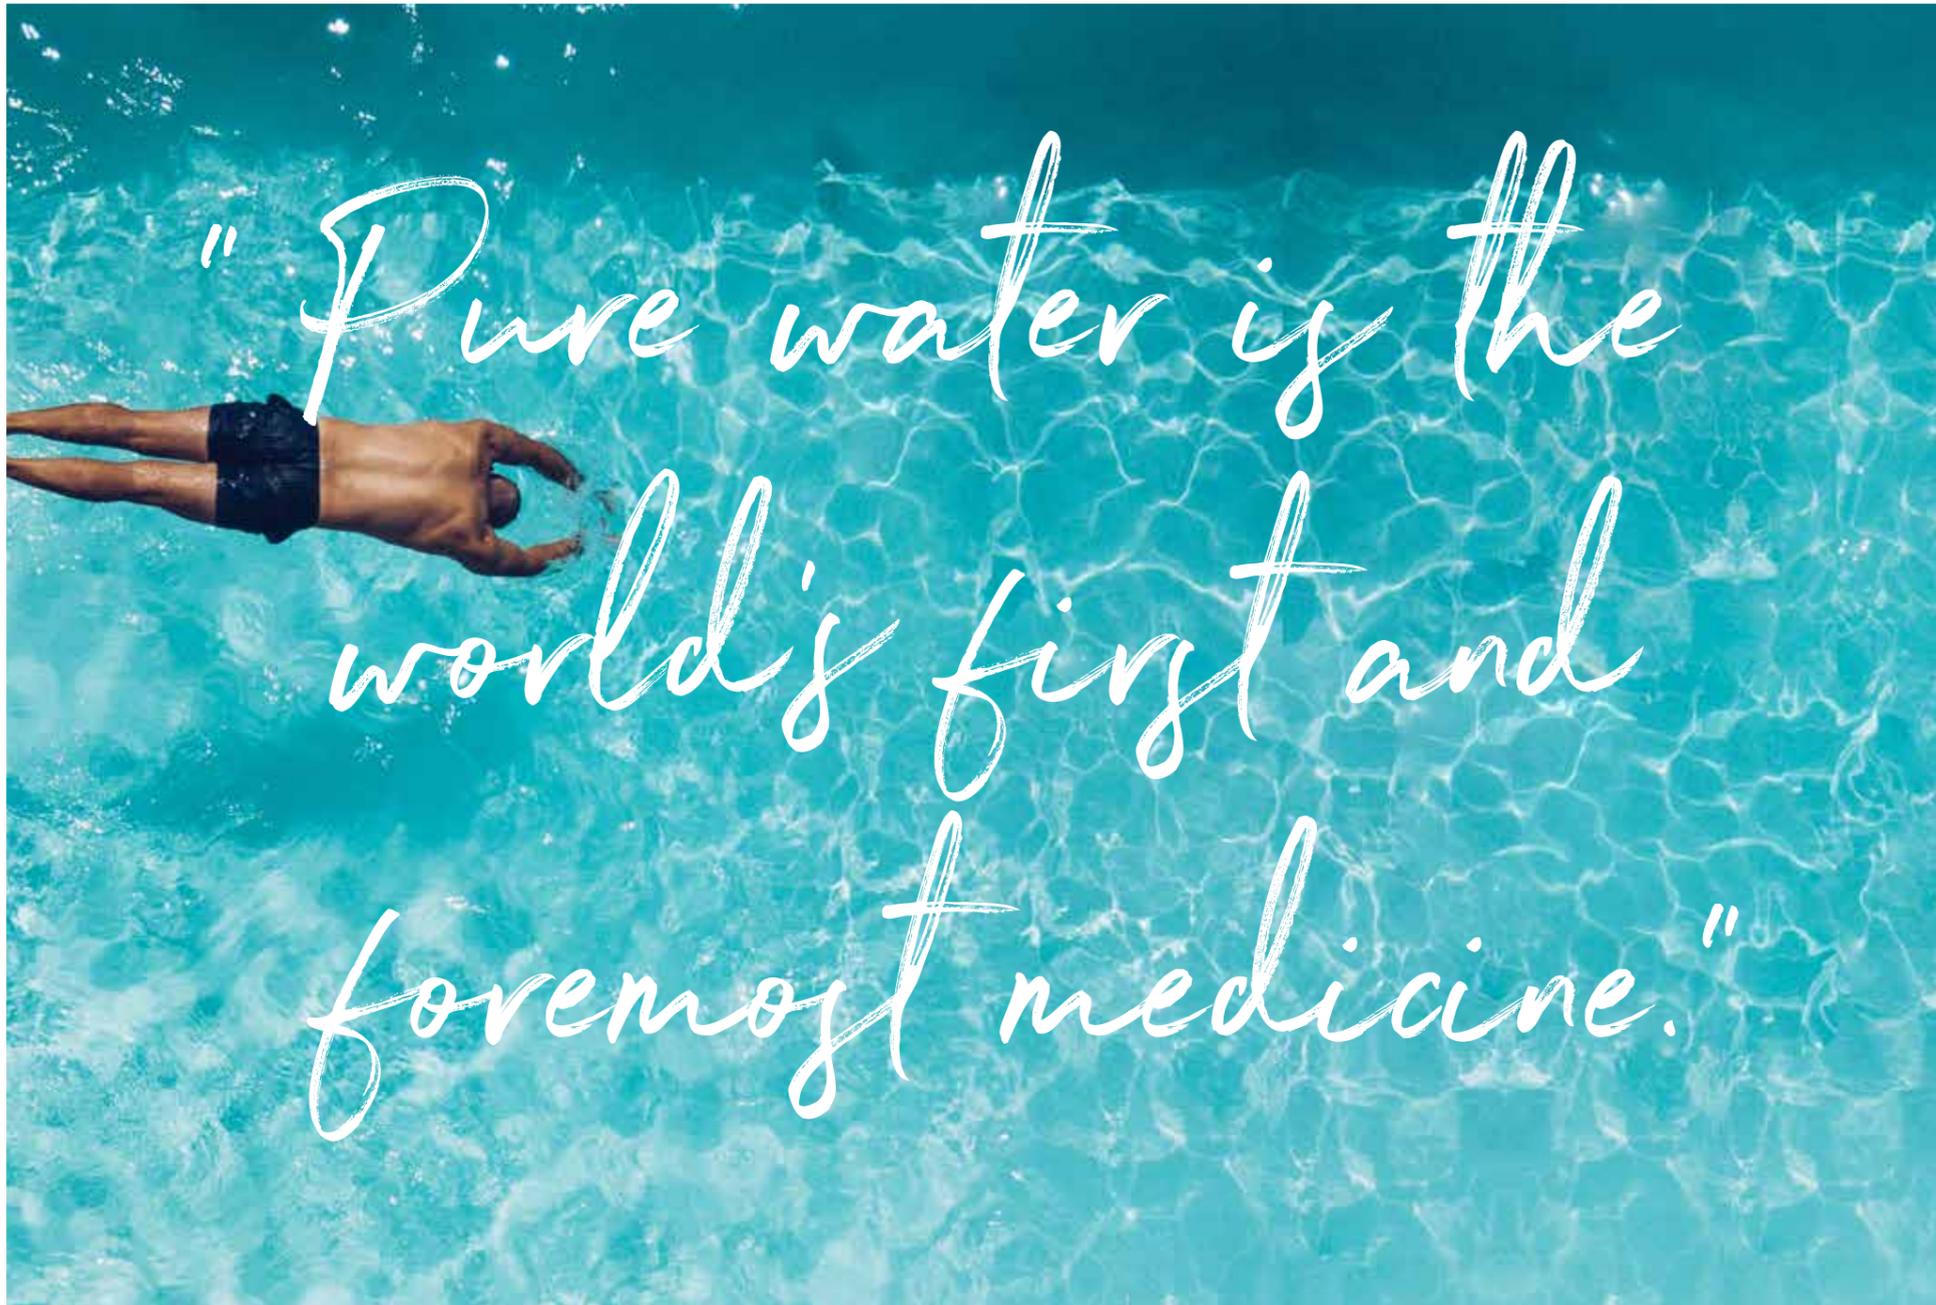

- Mineral infused bathing, your own beauty retreat
- Safer, cleaner water
- No added chlorine, algaecides or clarifiers
- Virtually maintenance free

Your MINERAL POOL package includes:

- Hydro flow 1hp pool pump
- Microban technology pool filter complete with antimicrobial
- Mineral Generator to automatically convert minerals into the required sanitisation for keeping your pool healthier, softer and cleaner.

*An Integrated Mineral Generator will **take care** of your pool so you can relax and enjoy.*

CUSTOMIZE YOUR SLICE OF HAVEN

SWIM FOR FITNESS

Want to turn your pool in to an exercising machine? With the market leading swim jets we can turn your pool into an infinity length.

MINERAL INFUSIONS

There are many benefits of a mineral pool, including healing properties for skin and muscle tissue, stress-relieving properties, there's no odours or taste and it makes the water softer for an enhanced bathing experience. Plus the mineral water is safe for your garden.

HEATING SYSTEM

You can easily add any kind of pool heating system when the pool plumber sets up the filtration. Combine a heating system with the mineral system and you can your own "hot spring" feel in your back yard.

LIGHTING

Choose from a variety of underwater mood lighting in blue, white or multi-coloured.

SANITISER

Satwater & automated sanitisation. Large range of easy to use sanitisers with self cleaning cells and automated doser.

AUTOMATED CLEANING

Choose from a huge range of automated cleaning including infloor pop up jet systems, suction cleaners or robotic systemized mapping. All of our pools come with manual cleaning accessories.

FENCING

We offer all kinds of fencing including tube, glass and screening.

DECKING

Complete your project with carpentry or extended concrete & paved areas. Our landscaping team will help you integrate the whole backyard.

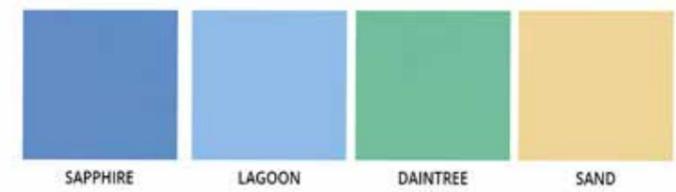

THE PERFECT COLOUR FOR YOUR OASIS

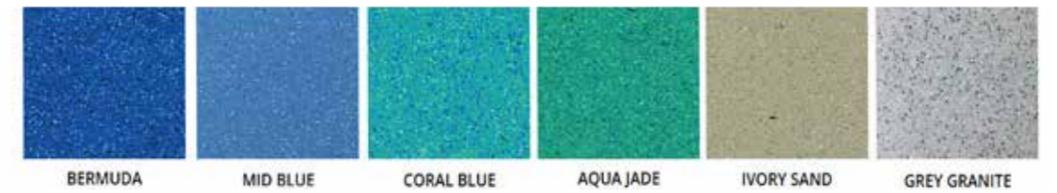

STANDARD FINISH

The colour is moulded into the product giving it a smooth and durable finish.

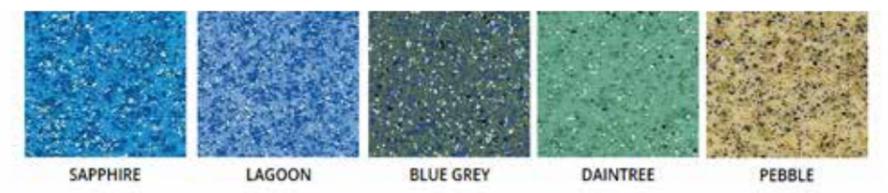

CULTURED FINISH

A range of high performance decorative surface finishes that provide a stone-like appearance to the pool surface.

STARLIGHT FINISH

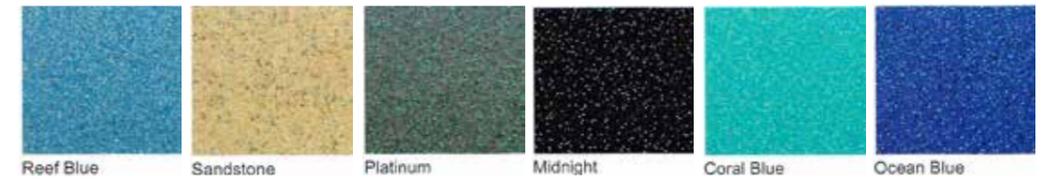

These durable coatings exhibit outstanding weathering and fade resistance properties and contain stunning jewel highlights.

SHIMMER FINISH (GELCOAT)

A range of striking, high performance pool coatings giving a highly decorative and reflective finish.

Freestanding Plunge Pools only
