

Mineral Pool from Blue Haven Pools

A superior natural water feel, harnessing the riches of nature's ocean and mineral lagoons and delivering them to your swimming pool.

Experience the invigorating feel of bathing in water rich in minerals. Mineral Water so gentle, combined with superior energy and water savings.

- Mineral infused bathing, your own beauty retreat
- Safer, cleaner water
- No added chlorine, algaecides or clarifiers
- Virtually maintenance free

Enjoy
**NATURAL
SWIMMING
WATER**
in your pool
